

Connect Church exists to serve the City of New Orleans by proclaiming a message of hope, healing, and restoration found in Christ. We desire to see every member growing, serving, and going to make disciples in their homes, community, and world.

PRAY FOR US

- Pray for unity in our local body of believers.
- Pray for current and new leaders to be added as we make disciples.
- Pray for resources needed to update our current facilities for adults, youth, and kids.
- Pray that God would grant us favor to impact the Algiers community.
