

# Dwell CHURCH

Dwell Church is a new church starting in the West Colfax neighborhood of Denver, CO that is called to be a family defined by the love of God and committed to giving it away. Our prayer for this neighborhood is that God would do something only he can do by transforming lives, families, and communities through Dwell Church.

# PRAY FOR US

- Pray that the good news of Jesus Christ would change lives in Denver.
- Pray that the members of Dwell Church would live out their kingdom calling in their homes, workplaces, and communities.
- Pray that West Colfax would come to see Dwell Church as a place of hope, healing, and life.
- Pray for protection for the Cooks as they plant Dwell Church.
